

Family owned since 1982, Richards & West offers a unique selection of the best in both traditional and contemporary fine jewelry. Each piece is handcrafted by master artisans at our workshop in East Rochester, NY, USA.

The **Precious Vessel** and **Imprint On My Heart** pet collections offers the finest selection of personalized and keepsake jewelry. They are designed to be heirloom quality pieces made with outstanding craftsmanship.

Our beloved pets are our children, our companions and our comfort. A **Precious Vessel** or **Imprint on My Heart** piece will be the ultimate treasure and unique remembrance that will keep your precious pet close to your heart forever.

Precious Vessel

Each piece in the **Precious Vessel Collection** can hold a lock of fur, a whisker, a small portion of your pet's ashes or other small sentimental items. Once you have received your Precious Vessel and sealing kit, follow the simple instructions for placing your token in the vessel and installing the KeepLoc™ Plug, featured below. When the plug is in place, it will expand creating a permanent water resistant seal that will last forever. Only you will know the secret held within.
