

All keepsakes are solid cast using only the highest quality precious metals. Our jewelry is cast thick, ensuring your keepsake will last for generations.

The following pages will help guide you through the process of choosing your Imprint On My Heart custom keepsake and filling out the accompanying ordering brochure. Please contact us by phone or e-mail if you have questions or need assistance placing your order.

Fingerprint jewelry is created from a mold impression kit or from an inked print (you can use a clean crisp photocopy of an existing fingerprint ID card, or we can send you a fingerprint kit). The difference between these two types of prints are shown at right.

All keepsakes are available in the following three finishes:

The Love Notes Signature Collection is created using the original handwriting and/or drawing you provide. A crisp, clean photocopy may also be used.

After we have received your completed order form, payment, and completed impression kit (or pre-existing print/handwriting/drawing), you will receive your completed keepsake within 4-6 weeks. Because Imprint On My Heart jewelry is completely custom, your design options are only limited by your imagination! Imprint On My Heart® Fingerprint Jewelry & Gifts

KATHRYN ALBERS DESIGNS

Children make an immediate imprint on their parents hearts the moment they are born. Kathryn Albers, owner of Imprint On My Heart, sought a way to translate who her children were and how deeply they touched her into a customized keepsake using the unique characteristics of their fingerprints.

From her love, Imprint On My Heart was born.

Kathryn created *The Love Notes Signature Collection* in memory of her grandfather whose fingerprint the family did not have. She developed a process to utilize a sample of his handwriting and cast it into her jewelry. Love Notes are perfect for those without a copy of a fingerprint, or for those who would like to add a special message to their jewelry in their own handwriting, the handwriting of their loved one, or create a keepsake from a child's precious artwork.

Each fingerprint and Love Note piece is hand crafted from start to finish in her studio—a labor of love resulting in a superior quality keepsake that will touch hearts for generations to come.
